Dear Richard,

I am writing to thank you for your recent fundraising of £410.14, in support of our Prostate Cancer fund. We are delighted that the Association chose to support us for another year, taking the grand total raised for the charity to an amazing £1,483.80 since 2017. All of the money will be used to make a real difference to the thousands of patients who are treated for prostate cancer within the North Bristol NHS Trust every year.

Southmead Hospital Charity raises funds to support the healthcare services at Southmead Hospital, Cossham Hospital and in the Bristol, South Gloucestershire and North Somerset communities. Working alongside our clinical teams, therapeutic support staff and our patient community, we raise funds for projects that are beyond the remit of the NHS.

If you would like to hear more about the Charity's events and future plans for supporting North Bristol's hospitals, please sign up at the following link and follow us on social media.
